You are correct you can shred them. I'll have the typed comments/summary to you by Tuesday. I'm home safe and off until then have a good weekend.

Hi:

Thanks again for your visit this week. There is a gray folder you left here with two construction wage compliance review forms. They have some info filled out but no names up top. I assume they are forms you started but used another one for the final? Please let me know if you need this or not. I hope your trip back goes well.

Thanks

Regards,

Eric
